Information regarding the cross-border merger between Sweden-domiciled Ruth Core Swedish Equities and Luxembourg-domiciled Ruth Core Swedish Equities

Ruth Core Swedish Equities (SE) merges with Ruth Core Swedish Equities, a sub-fund of Ruth Asset Management SICAV (Lux)

Information for you as a unitholder in the absorbed fund.

The merger is a part of Ruth Asset Management AB's ("Ruth AM") (the management company) aim to enhance visibility of the fund range, provide investors and distributors easier access to the complete fund range within the same umbrella and optimise administrative resources to achieve higher operational efficiency. As part of this goal, we have decided to merge the Sweden-domiciled fund Ruth Core Swedish Equities, the absorbed fund, with Luxembourg-domiciled Ruth Core Swedish Equities, the receiving sub-fund, as of 28 June 2024.

The absorbed fund and the receiving sub-fund have similar investment objectives and policies, and they are managed by the same investment team. We wish to merge the two funds to sharpen Ruth AM's selection of funds offered and to make fund management more efficient.

This is a merger by absorption, whereby the absorbed fund's holdings, including its assets and liabilities, will be transferred to the receiving sub-fund, and cease to exist. Ruth AM bears any costs related to legal, advisory and administration costs that arise in relation to the merger.

How you as an investor in the absorbed fund are affected

As an investor in the absorbed fund, you are not required to act, but you should be familiar with the merger. The merger does not have any foreseeable

impact on your investment. The investment objective and strategy in the receiving sub-fund remain unchanged. The receiving sub-fund is subject to a 0,01% tax d'abonnement in share class A (Institutional investor) and 0% in share class C (Pension investor) in Luxembourg, while the absorbed fund is not subject to any similar tax in Sweden.

The merger will not lead to dilution effects in the receiving sub-fund, but minor portfolio rebalancing may take place prior to the merger in the absorbed fund and after the merger in the receiving sub-fund, which might incur transaction costs related to legal, advisory, and administration that arise in relation to the merger. Such costs will be paid by the management company.

As a unitholder in the absorbed fund, it is important for you to understand how the merger affects you. Please read the receiving sub-fund's KID-document of Ruth Core Swedish Equities carefully, found at the end of this notice. Your investment will be automatically converted to Ruth Core Swedish Equities unless you choose to redeem your units before the merger.

As a unitholder in the absorbed fund, you will have the right to redeem your units free of charge (excluding redemption fees charged by the absorbed fund to cover divestment fees and except for the fees acquired by the absorbed fund to prevent dilution of shareholders investment) at the applicable net asset value per share within the merger timeline below. You will also have the right to convert your units in another UCITS with similar investment policies and managed by Ruth AM free of charge within the merger timeline below. More information regarding the merger can be found at www.ruthassetmanagement.com or by email to info@ruthassetmanagement.com.

Merger timeline

- **20 May 2024:** Beginning of redemption and conversion period.
- **19 June 2024:** The possibility to redeem without any other fees ceases to exist.
- **27 June 2024:** The calculation of the exchange ratio is performed while the absorbed fund is closed.
- **28 June 2024:** The merger takes effect, and the absorbed fund ceases to exist whilst the receiving sub-fund is being launched.
- **1 July 2024:** The receiving sub-fund opens for trading.

After the merger has been implemented, unitholders of the absorbed fund who chose not to redeem their units, will then become shareholders of the receiving sub-fund, and will be able to exercise the same rights in the receiving sub-fund as they did in the absorbed fund.

Any accrued income in the absorbed fund will be transferred over to the receiving sub-fund. The receiving sub-fund will not have any accrued income at the merger date.

However, such default risk is limited due to the segregation of assets between those of the depositary and the sub-fund. The depositary is liable to the sub-fund or to the investors of the sub-fund for the loss by the depositary or one of its delegates of a financial instrument held in custody unless the depositary can prove that the loss has arisen as a result of an external event beyond its reasonable control. For all other losses, the depositary is liable in case of its negligent or intention failure to properly fulfil its obligations pursuant to the Luxembourg law of 17 December 2010 relating to undertakings for collective investment. There is no other compensation or guarantee scheme for investors in the sub-fund.
